*Actual Expenses*

**\$1,071,976**

*Sources of Income*

"The DSAGC had a banner year in 2016, both in terms of funds raised and services provided to the Down syndrome community. Our two largest fund raising events, the Buddy Walk and golf outing, saw record levels of participation and donations, setting a very high standard for years to come! The success of these events directly impacted our service offerings. My daughter Lily went through the iCan Swim program and in less than a week she went from being afraid to enter the water to diving for rings at the deep end. Amazing! This is just one example of the many ways we have benefited from the DSAGC."

*Brendan Walsh,  
DSAGC Parent and Board Treasurer*
